

EBSCO Basic Search

To create a Basic Search:

1. Enter your search terms in the **Find** field on the Basic Search screen.
2. Click the **Search Options** link, if you would like to use any of the optional Limiters or Expanders. To close the **Search Options**, click the link again.

The screenshot shows the EBSCO Academic Search Premier interface. At the top, there is a navigation bar with links: New Search, Publications, Subject Terms, Cited References, More, Sign In, Folder, Preferences, Languages, New Features, and Help. The user is identified as a 'Demonstration Customer'. The main search area features the EBSCO logo, a search bar with the text 'global warming', and buttons for 'Search' and 'Clear'. Below the search bar, there are links for 'Search Options', 'Basic Search', 'Advanced Search', and 'Search History'. The 'Search Options' panel is expanded, showing various search modes and expanders. The 'Search Modes and Expanders' section includes radio buttons for 'Boolean/Phrase', 'Find all my search terms', 'Find any of my search terms', and 'SmartText Searching'. The 'Apply related words' and 'Also search within the full text of the articles' options are also present. The 'Limit your results' section includes checkboxes for 'Full Text', 'Published Date' (with month and year dropdowns), 'Publication Type' (with a list including All, Periodical, Newspaper, and Book), 'References Available', 'Publication' (with a text input), 'Number Of Pages' (with a dropdown), and 'Image Quick View'.

3. Select a specific [search mode](#), such as "Find all of my search terms," or "SmartText Searching."
4. Apply **Limiters** such as Full Text or Publication type; or use search options that expand your search, such as "Apply related words."
5. Click the **Search** button. The Result List displays.

EBSCO Advanced Search

To use Advanced Search with Single Find Field:

1. Click the Advanced Search link below the **Find** field.
2. On the Advanced Search Screen, enter your search terms in the **Find** field.

The screenshot shows the EBSCO Advanced Search interface. At the top, there is a navigation bar with links for New Search, Publications, Subject Terms, Cited References, and More. Below this, there is a search bar with the text "global warming" and buttons for Search and Clear. The search bar is labeled "Field Codes" and "Searching: Academic Search Premier". Below the search bar, there are links for Basic Search, Advanced Search, and Search History. The main section is titled "Search Options" and contains several expandable sections: "Search Modes and Expanders" with radio buttons for Boolean/Phrase (selected), Find all my search terms, Find any of my search terms, and SmartText Searching; "Limit your results" with a checked box for Full Text and various image quick view types; and "Publication Type" with a dropdown menu set to All. There are also checkboxes for Apply related words, Also search within the full text of the articles, Image Quick View, References Available, and Scholarly (Peer Reviewed) Journals. A "Reset" button is located in the top right corner of the Search Options section.

3. Select from the available **Search Options**:
 - **Search modes** – Use specific [search modes](#), such as “Find all of my search terms,” or “SmartText Searching,” or use search options that expand your search such as “Apply related words.”
 - **Limit your results** – such as Full Text or Publication type.
 - **Special Limiters** – Apply limiters specific to a database. If you select a special limiter, it is applied only to the database under which it appears
4. Click the **Search** button. The Result List displays. The search field is displayed above the Result List. Your search terms, limiters and expanders are retained. To revise your search, you can apply the limiters under **Refine your results**. Click the **Show More** link to view all available limiters and expanders.
